UNITED STATES DISTRICT COURT  
DISTRICT OF MASSACHUSETTS

IN RE: NEW ENGLAND COMPOUNDING  
PHARMACY, INC. PRODUCTS LIABILITY  
LITIGATION,

MDL No. 1:13-md-2419-RWZ

---

**ORDER APPROVING COMPROMISE SETTLEMENT IN WRONGFUL DEATH  
CLAIM PURSUANT TO VA. CODE § 8.01-55**

---

The matter before the Court is the petition of Leona E. Corker (the “Petitioner”), executrix of the estate of Billy Lewis Corker, by counsel, for approval of a compromise settlement in a wrongful death claim, pursuant to Virginia Code Annotated, section 8.01-55. Having considered the Petition, the Court finds that:

A. Pursuant to Virginia Code Annotated, section 8.01-55, the parties in interest have either endorsed this Order or have been given notice of the hearing and proposed compromise as provided in Virginia Code Annotated, section 8.01-296 and/or 8.01-320.

B. The Petitioner is the executrix of the estate of Billy Lewis Corker.

C. Billy Lewis Corker died on July 12, 2014.

D. The Petitioner, Leona E. Corker, is the sole statutory beneficiary of the decedent.

E. The statute of limitations for the Petitioner to file a wrongful death action with respect to her claim against Insight Health Corp., Image Guided Pain Management, P.C., John M. Mathis, M.D., or Robert F. O’Brien, M.D (the “Respondents) has not expired.

F. The proper venue for the Petition is in the United States District Court for the District of Massachusetts.

G. The Respondents and Petitioner agree to the settlement of the claim set forth in the Settlement and Release Agreement (the “Agreement”) of February 12, 2015, and the incorporated First Amended Insight Claims Resolution Procedures (the “Procedures”).

H. As part of the Agreement, the Petitioner and Respondents agree to a Mutual Release.

I. Pursuant to the Agreement, Respondents have placed in escrow the total agreed upon settlement amount to be paid to settle personal injury and wrongful death actions (the “Settlement Amount”). The ICRFP Segregated Amount will be allocated from the Settlement Amount and paid to the NECC Tort Trust to be held and segregated in accordance with the Agreement, the Procedures, and the NECC Tort Trust Agreement (the “Settlement Amount Allocation”). The Funds will be held in this manner pending the process set forth within the Procedures

J. The Agreement and the Procedures have been approved and confirmed by Judge Boroff of the United States Bankruptcy Court for the District of Massachusetts in an order entered on May 20, 2015, which confirmed the chapter 11 bankruptcy plan of NECC. See Findings of Fact, Conclusions of Law and Order Confirming the Third Amended Joint Chapter 11 Plan of New England Compounding Pharmacy, Inc., In re: New England Compounding Pharmacy, Inc., Case No. 12-1982-HJB (Bankr. D. Mass May 20, 2015) (Doc. No. 1355).

K. No appeal from the order approving the plan was filed, and the order confirming the chapter 11 plan is now a final order.

L. The manner in which the settlement sum would be allocated to the Petitioner pursuant to the Agreement and the Procedures has been presented to this Court for review and has been approved by this Court.

M. The Petitioner and her counsel have represented to the Court that the Agreement and the Procedures are fair, reasonable, and in the decedent’s estate and statutory beneficiaries, and has requested approval of them.

NOW, THEREFORE, the Court is of the opinion that the proposed settlement of the Petitioner's wrongful death claim and the Agreement and the Procedures are fair and reasonable under the circumstances of the decedent's death and in the best interests of the Estate of Billy Lewis Corker and his statutory beneficiaries. It is therefore

ADJUDGED, ORDERED AND DECREED that the compromise settlement, as set forth in the Agreement and the Procedures, is hereby APPROVED. It is further ORDERED that

1. The Agreement governing the compromise of the wrongful death claim is hereby approved in its entirety, including the Procedures approved by the United States Bankruptcy Court for the District of Massachusetts, and shall be made a part of the Court's file in this proceeding.

2. The Mutual Release between the Petitioner and Respondents is hereby approved.

3. Prior to any distribution to the Decedent's statutory beneficiary or from the respective share of the gross amount attributed to her under the process set forth in the Procedures, the amount of such distribution(s) and instructions for issuing them shall be presented to the Court for approval by further order of the Court.

4. Effective upon the date of the Settlement Amount Allocation, Respondents and their past, present and future officers, directors, stockholders, insurers, attorneys, agents, servants, representatives, employees, parents, subsidiaries, affiliates, partners, subcontractors, predecessors and successors in interest, and assigns and all other persons, firms or corporations with whom any of the former have been, are now, or may hereafter be affiliated, each acting in their capacity as such, shall be forever released and discharged of any and all liability to the Estate of Billy Lewis Corker, Deceased, or any statutory beneficiary entitled by law to any recovery for the injuries, losses, and/or damages arising out of the injury and death of the

decendent as well as from any and all past, present or future claims, demands, obligations, actions, causes of action, wrongful death claims, rights, damages, costs, losses of services, expenses and compensation of any nature whatsoever, whether based on tort, contract, fraud, statutory violation, or other theory of recovery, which Petitioner now has, or which may hereafter accrue or otherwise be acquired, on account of, or may in any way grow out of, or which relate to NECC Claims, as that term is defined in the Agreement.
